Sherwood Valve LLC is the world's leading provider of system-critical gas and fluid control solutions for the industrial gas, specialty gas, chlorine gas, and alternative fuels. The company is head-quartered in Washington, and been providing quality American made products for over 100 years.

Speciality Gas Valve

Shut Off Valve

Oxygen Valves

Valves with Regulators

Monel Valves

Stainless Steel Valves

Refrigerant Recovery Liquid

Oxygen Valves with Regulator

Alternative Energy Valves

Brass Diaphragm Valve

Refrigerant Recovery

Speciality Gas Valve

Chlorine Ton Container Valves

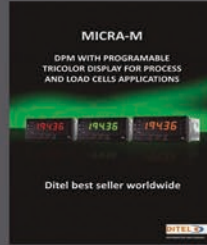

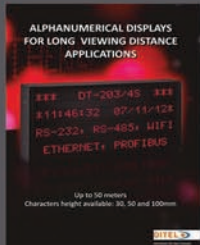

Aluminum Silicon Bronze Valve

Stainless Steel Diaphragm Valves

DITEL is specialized in visual communication solutions and digital signage and offers the largest range of Digital Panel Instruments in Europe for monitoring and control of industrial processes. In addition to a complete range of Led Displays and Curtains (Indoor/Outdoor), Led Floors and professional Monitors for the retail industry.

Founded in 1967, Precision MASS is one of the most reputable manufacturer of wide range of Pressure and Temperature measurement instruments in India, ranging from as low as 10" H₂O up till 4000 bar of pressure and temperature instruments from -200°C up to 1200°C. In 1996 MASS became distributor of Ashcroft products in India, In 2008, Precision MASS entered into a joint venture with Ashcroft USA and established Ashcroft India Pvt. Ltd., and in Sept. 2015, this JV happily parted by MASS purchasing Ashcroft interest to continue independently'

Temperature Gauges

EMICO, well known for its valve production and foundry, was established in 1984 with its production facilities based in Taiwan and Shanghai, China. EMICO has been providing outstanding products with consistent and superior quality, and has obtained various international Quality Assurance System such as ISO 9001, PED CE, API6D and various product certificates & marketing it's products throughout Europe, North America & Japan.

Actuated Floating Ball Valve

Size Range: 1/4" ~ 10"

Pressure Rating:

Flanged End: JIS 10K/20K,

ANSI 150/300, PN16/40

Threaded End: 1000 WOG, 2000

WOG, PN63/100, ANSI 600/800/

1500/2500

Trunnion Ball Valve

Fire Safe to API 607

Ends: Flanged End

Class 150, 300, 600, 900, 1500

VITON AED o-ring

Blow-out-proof Stem

Full Port

Body: A105, LF2, 316, 316L,

Duplex F51...etc.

Size: 2" ~ 12"

Ball Valve - Fire Safe

Fire Safe to API 607

DIN PN40/PN16

ISO 5211 Direct Mounting

Anti-static Device

Blow-out-proof Stem

Full Port

Size Range: DN15 ~ DN200

Lockable Handle

Globe Valve- Flanged End

JIS 10K/20K, ANSI 150/300

OS & Y, Screwed/Bolted Bonnet

Rising Stem, Swing Disc

Disc: S.S.

Body: S.S./C.S./FC45/FC20

Size Range: 1/2" ~ 12"

3-WAY BALL VALVE

Reduced Port / Full Port

ISO 5211 Mounting Pad

T port / L port

Body: SS316 / CF8M

Size Range: 1/2" ~ 12"

GATE VALVE

JIS 10K/20K, ANSI 150/300

Outside Screw & Yoke

Rising Stem, Bolted Bonnet

Body: S.S./C.S./FC20

Size Range: 1/2" ~ 12"

CRYOGENIC BALL VALVE

1500 WOG (SE/BW/SW)

Flanged end class 150, 300, 600

ISO 5211 mounting Pad

Anti-static Device

Blow-out-proof Stem

Full Port

Body: S.S.

Size: 1/2" ~ 2"

BALL VALVE, WAFER TYPE

DIN PN40/PN16

ISO 5211 Direct Mounting Pad

Fire Safe Design (Optional)

Anti-static Device

Blow-out-proof Stem

Full Port

Size Range: DN15 ~ DN200

Lockable Handle

BUTTERFLY VALVE

ANSI 150/JIS 10K/DIN PN10

Seat: NBR/EPDM/VITON/PTFE

Body/Disc: Cast Iron/S.S.

Operator: Lever, Worm Gear

Size Range: 2" ~ 24"

W / Actuator (Optional)
